THE SECRETARY OF DEFENSE WASHINGTON

MAY 1 2 1958

Dear Allen:

Another in the series of conferences of senior civilian and military leaders of the Department of Defense is to be held at the Marine Corps Schools, Quantico, Virginia, from the evening of Thursday, 19 June, through luncheon on Sunday, 22 June 1958.

The meeting will enable those officials with key responsibilities in the nation's defense programs to get together in an informal atmosphere for a few days of discussions and recreation. I look forward to visiting with you in a more relaxed atmosphere than that which normally prevails in Washington.

We are planning a series of business sessions with an agenda of special Defense-wide concern. There will also be time set aside for recreational activities.

I would be very pleased if you could join us for the conference.

Sincerely,

Honorable Allen W. Dulles Director, Central Intelligence Agency Washington 25, D. C.
